Let us introduce you to the Cobalt R5.

No matter the activity of the day, the Cobalt R5 steps up to the plate bringing class and style. At first glance, its exterior profile will catch the eyes of all around. Sleek. Powerful. Aggressive. Notice the graphics – bold, vibrant. But let’s not be materialistic here. This legendary ride is worth noting: infectious. That is the word we would use – so infectious that with just one nudge of the wheel and a tight turn, you will be hooked to its smooth nature.

With all the luxury interior appointments that one would expect from a Cobalt, the inside speaks of timeless good taste. The transom is walk-thru, of course. The back-rest is convertible, and the space forward is wide and wider still, followed with yacht-esque wraparound seating. This seating configuration, by the way, belongs only to Cobalt in boats of the R5’s size. The twice-wide passenger seat forward makes the cockpit even more flexible in its service of a good time. A console door, elegant in its Makassar grain look and crafted vinyl, opens to a head larger above and all-around than any other boat in the class.

The helm gleams in hand craftsmanship, in oil rubbed ebony Makassar trim and duotone aluminum dash panels and switches of stainless steel and five-inch digital gauges with multi-function readouts and, over all, a form-fitted eyebrow in everlasting vinyl. The wheel wraps in leather: one of the most time-honored of Cobalt traditions, this masterpiece of a steering wheel. Our owners have always insisted on comfort and convenience and accessibility -- “ergonomics” to our designers -- and so the R5’s armrests and footrests and controls and cupholders and every last little amenity aboard arrives with a form and a function just too ergo for words. And one more name to drop: the Rockford Fosgate stereo, optimized and ready, as we say, to crank.

Need we say more?

Attention, perfectionists.
This one is for you.

### Volvo Penta Sterndrive Power

- **V8-300CE-G EVC DP** 300 hp 221 PkW
- **V8-350CE-G EVC DP** 350 hp 261 PkW
- **V8-380CE EVC DP** 380 hp 283 PkW
- **V8-430CE EVC DP** 430 hp 321 PkW

### MerCruiser Sterndrive Power

- **6.2 L MPI ECT DTS-300 B3** 300 hp 221 PkW
- **6.2 L MPI ECT DTS-350 B3** 350 hp 261 PkW
- **8.2 Mag ECT DTS B3X** 380 hp 283 PkW
- **8.2 Mag HO ECT DTS B3X** 430 hp 321 PkW
**STANDARD EQUIPMENT**

**Dash and Instrumentation**
- Accessory Power Plug - 12 Volt
- Black Leather/SS Steering Wheel
- Color-Matched Aluminum Dash Panels
- Composite Helm Eyebrow, Custom Stitching
- Dash Perimeter SS Accent
- Depth & Water Temp Pkg.
- Glass Cockpit, Dual Garmin 7607
- Gloss Black Dash Console w/SS Accents
- Hour Meter
- Illuminated Switch Panel/Switches
- Stainless Steel Switches

**Engine Options**
- DTS (Merc)
- EVC w/PTA & Cruise (Volvo)

**Exterior**
- Anchor Locker
- Bow Scuff Plate, Stainless Steel
- Extended Running Surface
- Fender Clips w/Line (4)
- Graphics, Molded-In Gelcoat
- Midship Cleats
- Ski Pylon - Stainless Steel
- Sky Light (Head Compartment)
- SS Tubular Platform Perimeter Rail
- Stainless Steel Engine Vents
- Stainless Top Trim Windshield
- Swim Platform w/Flip-Down Swim Step

**Interior**
- Aft Facing Rumble Seat
- Aft Sunpad Backrest SS Accent Rail
- Aft Walk-Thru Carpet
- Bow Cushion Insert, Stbd.
- Bow Walk-Thru Doors
- Carpet, 40 oz., Snap-In w/Neoprene Back
- Del Mar Helm Capt. Chair
- Head w/Porta Potti
- Passenger Seat Flip Backrest System
- Removable Bow & Cockpit Carpet
- Seating Varadense Comfort
- Sundeck Convertible Lounger
- Trash Receptacle, Cockpit

**Stereo**
- Custom Acoustic Speaker Covers
- iPod/USB/MP3 Port
- Sound System, Bluetooth, w/6 Spkrs.
- Stereo Remote, Dash
- Stereo Remote, Transom (Prem. Sound)
- Transom Tilt Switch
- Umbrella w/Receiver (ski pylon mounted)
- Underwater Lighting
- Wakeboard Racks, Elite (Alum)
- Wakeboard Racks, Triton

**Structure, Safety, & Performance**
- 10/5/3 Year Warranty Protection
- Battery Switch, Single
- Circuit Breaker Protected Elec System
- Composite Floor
- Composite Transom
- Fiberglass Cockpit Liner
- Fiberglass Stringer System
- Fire Extinguisher, Manual
- Ignition Safety Switch
- Keelar Reinforced Hull
- Stainless Steel Windshield Braces
- Through Prop Exhaust
- Battery Maintainer/Charger, 110v
- Battery Maintainer/Charger, 220v
- Battery Switch, Dual w/ACR
- Captain’s Call Exhaust
- Captain’s Call Plus (w/Mufflers)
- CE Requirements w/Automatic
- Fire Extinguisher
- Cruise Control-Smart Tow (Merc DTS)
- Cruise Control-Zero Off (Vol EVC)
- Drivers Rearview Mirror (W/S Mount)
- Fire Extinguisher, Automatic System
- Tool Kit
- Trim Tabs w/Indicators
- Windlass, All Chain w/Anchor
What prove to be, in memory, the adventures of a lifetime.

Who can say when first you heard? The multicolored minute when the open water spoke, and the dream began. Try now. To this day, can you report the moment? Can you reach back and listen again to that faint call, a sun-flecked whisper -- relentless as a mother’s summons -- coming from just beyond the farthest thing a kid could ever hope to see.

At Cobalt, we build boats that answer the call. It is a relationship like no other – owners and their boats. It is that first grip at the helm that releases a sense of assurance down the spine. At that very moment…a promise is made. With each ride, with each cruise comes conversation, laughter and pure enjoyment afloat. At that very moment, a bond is formed on trust, but not just that, a type of trust that feels like family. And with that trust arises a certain lifestyle, an opportunity for families to come together and enjoy what life is truly about. It is a type of confidence that only a Cobalt can instill in its owner.

Our Cobalt family believes we have a unique opportunity to enrich life, to help create life-long memories, to arouse a passion for the boating lifestyle. We vow to work tirelessly, creating the most innovative, well-engineered, and best performing boats imaginable. We vow to let our work be consumed by every little detail, every aspect of fit and finish.

This classic tradition will continue in our daily pursuit to build not just boats, but deep personal possessions. We will continue on with our philosophy of compromising absolutely nothing, especially when it comes to constructing piece by piece a watercraft that will create memories of a lifetime.

We are excited to share Cobalt’s passions and why we do what we do for our customers everyday. You drive us to perform everyday. Thank you and welcome to the family.
Customer Inspired Innovation

Swim Platform Functionality
Cobalt’s swim platforms are large, welcoming and safe, suspended just above the waterline for easy use in all water-born activities. Oversized, polished stainless steel tubing wraps every platform to protect the boat when docking. Cobalt’s exclusive and patented swim step requires only two easy flips: down to use, back to stow. The swim step makes boarding your Cobalt a breeze, and provides a perfectly cool resting area. Illuminate the platform above or below the waterline with option choices to suit your desires.

Industry Firsts and Real-World
Across five decades, Cobalt brought innovative functionality to the marketplace. Across five decades, other marine manufacturers have seen fit to copy the thoughtful design that has always defined our boats. Again this year, we will show an entire industry exactly the way to go.

- A Cobalt first: the integrated bow eye with a scuff plate for protection from trailer marks
- Cobalt was the first stern drive builder to feature the walk-thru transom, today, all our models are equipped with either a single or dual aft passageway for easy boarding
- Stainless-steel adjustable poles to secure and tighten bimini tops with our innovative built-in turnbuckle -- no fabric straps here
- Quick-release fender clips utilize stainless steel sockets for perfect placement and convenient deployment
- Cushioned storage lids with double-knuckled hinges to hold the lids open for easy access to the compartment below
- Our often-imitated, never-duplicated flip-lip seat bolster – the captain sits high and comfortable, enjoying the full thrill of the ride
- A safer latch for the windshield walk-thru, holding the door securely open – yet another Cobalt first
- Perhaps the most imitated component of performance in the boating industry, Cobalt’s extended running surface for quicker planing, firm and true turns, minimized bow rise, and greater lift at the stern
Finely Detailed Interiors

The technical word is “interface,” those sensory exchanges between boat and owner, those points of contact so fundamental to the enjoyment of a day on the water, so critical to the determination of a boat’s long-term value. Glance at any cockpit and witness the full effect of a Cobalt interior – straight, smooth, uniform, and very, very good looking. Better yet, cruise a Cobalt at first opportunity for some meaningful, memorable interfacing of your own.

Start at the helm, where strength meets stylish strength. Rock-solid fiberglass substructure rides beneath upholstered good looks, as optional Ebony Macassar trim adorns the helm’s metal panels. The instrumentation and its mountings borrow from aircraft and jewelry designers alike. Stainless steel switch mechanisms are firm, sure, and sturdy.

Cobalt upholstery involves the fingers. Butter-soft and bull-strong, as tactile as they’re easy on the eye, always double-fastened with both adhesives and staples, and stitched with meticulous precision. Underfoot, the carpet or optional Seagrass flooring is snap-down/snap-out, rubber-backed, backed again with skid resistant no-flex composite flooring under all, and heavy. Heavy far beyond any marine standard.

- Cobalt Glass Cockpit with Touch Screen Displays
- Precision-sewn interior details
- Double-needle stitching
- Seats that convert to a sun lounge
- Deep bow and cockpit seating
- The warmth and feel of premium materials
- A hand-crafted helm with detailed double-stitching
- Ebony Macassar trim
- Aircraft-inspired stainless switches
- Honeycomb composite core integrated in flooring – optimized strength-to-weight ratio, with improved sound and vibration dampening
At Cobalt the hull means hand-work, with every layer rolled a by craftspeople who believe that yet one more careful pass just can't hurt. And so the layers accumulate, eight altogether on the hull bottom and a full sixteen at the keel. Reinforced with Kevlar® and then strengthened again with Spraycore®, the hull’s structure hardens into the critical component of the legendary Cobalt ride.

The quality of the mold equals the quality of the finish, and so hand-waxing follows after every other part. Old finishes are reworked after every ten parts. No power buffers are allowed, and therefore no unsightly marks or patterns are left behind. And because time in the mold ensures integrity, flexible strength, and year-to-year dependability, the long hours spent in the mold matter even more. Every Cobalt hull cures and cures a while longer – well beyond normal industry standards.

Cobalt longevity is obvious, some of the reasons why less so. Invisible composites, hyperlight and hyperstrong, compose every Cobalt transom. No wood there, not in that all-important forcefield. No wood either in the polypropylene structural honeycomb of the floor. Nor in the all-fiberglass stringers where a methacrylate bonding compound adds lifelong permanence. No wood in the water-impervious roto-cast seat bases.

- Z-Thane™ strengthening, protective barrier coat in the hull – A Cobalt exclusive
- Completely hand-laid hulls, reinforced with Kevlar™
- Composite construction on all structural components
- Cushioned lids with knuckled hinges for easy, open access to storage compartments large and larger still
- Exceptional hardware, largely stainless, over-sized, over-strong
- Graphics deep and strong in the gelcoat
- Integrated bow eye with a scuffplate for added protection
- Hand-lamination, up to 16 alternating layers of fiberglass mat and woven roving
Ten Year Structural Warranty

- **Hull & Deck Structure:** Hull/deck joints, bulkheads, floor, transom, stringers, motor mounts
- **Transferable:** Fully transferable

Five Year Bow to Stern Component Warranty

- **Components:** All components manufactured or purchased (excluding hull and deck structural components)
  - **Canvas:** All canvas
  - **Upholstery:** All upholstery
- **Transferable:** Fully transferable

Three Year Gelcoat Finish Warranty

- **Transferable:** Fully transferable

*Service Assist - up to $100 per claim*

- **On-Water Towing:** Applicable to Cobalt 5 year Bow to Stern Component Warranty or Engine Manufacturer Warranty
- **Hoist/Lift Out:** Applicable to Cobalt 5 year Bow to Stern Component Warranty or Engine Manufacturer Warranty
- **Haul-Out:** Applicable to Cobalt 5 year Bow to Stern Component Warranty or Engine Manufacturer Warranty
- **Dockside Repair Call:** Applicable to Cobalt 5 year Bow to Stern Component Warranty or Engine Manufacturer Warranty

Engine Warranty – Manufacturer Direct

- **Volvo Penta Stern Drive:** 2 + 3 Factory Protection Program – North America only (outside North America 2 Year Warranty)
- **MerCruiser Stern Drive:** Five (5) Year Power of Protection Warranty - US and Canada only (International Coverage is regional)
- **Volvo Penta Diesel:** Two (2) Year Warranty
- **Mercury Outboard:** Three (3) Year Warranty
- **Yamaha Outboard:** Three (3) Year Warranty

See written warranties and service agreement for specific coverages.

*Documentation will be required in order to receive the Service Assist benefit.*
# Color Selections

## Exterior Colors and Graphic Styles

- **KNOCK OUT RED**
  - 3 COLOR CUSTOM GRAPHICS: White base gelcoat with any primary hull color plus an accent color.  
  - 3 COLOR CUSTOM WITH EDGE GRAPHICS: White base gelcoat with any primary hull color plus accent with edge detail.  
  - CLASSIC GRAPHICS: White base gelcoat with one primary hull side color.  
  - CLASSIC WITH EDGE GRAPHICS: White base gelcoat with one primary hull side color plus edge detail.  
  - SPORT GRAPHICS: White base gelcoat with accent stripe.  
  - SPORT WITH EDGE GRAPHICS: White base gelcoat plus accent with edge detail.  
  - FULL COLOR HULL BOTTOM: Available addition to any other graphic style.  
  - SURF GRAPHICS: Available on Surf Series R models.  
  - LINX GRAPHICS: Available on R models.  

- **ICE BLUE**
  - 3 COLOR CUSTOM WITH SWIM PLATFORM ACCENT: White base gelcoat with any primary hull color plus an accent and swim platform extension color.  
  - CLASSIC GRAPHICS WITH SWIM PLATFORM ACCENT: White base gelcoat with one primary hull side color plus a swim platform extension color.  

- **PACIFIC BLUE**
  - SPORT GRAPHICS WITH SWIM PLATFORM ACCENT: White base gelcoat with accent and swim platform extension color.  

- **NAVY**
  - TAHOE GREY INTERIOR: Available on Surf Series R models.  

- **SUNBURST**
  - SHALE**
  - EBONY**
  - Select from multiple available configurations online with the Design Your Dream model specific configurator at CobaltBoats.com

## Cockpit Interior Selections

- **SADDLE INTERIOR** (with standard carpet)
  - SEAGRASS FLOORING (carpet option)
  - SOF-TRAC MARINE MAT (carpet option)

- **TERRA BROWN INTERIOR** (with standard carpet)
  - SEAGRASS FLOORING (carpet option)
  - SOF-TRAC MARINE MAT (carpet option)

- **GENEVA INTERIOR** (with standard carpet)
  - SEAGRASS FLOORING (carpet option)
  - SOF-TRAC MARINE MAT (carpet option)

- **TAHOE GREY INTERIOR** (with standard carpet)
  - SEAGRASS FLOORING (carpet option)
  - SOF-TRAC MARINE MAT (carpet option)

- **TITANIUM INTERIOR** (with standard carpet, CS models only)
  - SEAGRASS FLOORING (carpet option)
  - SOF-TRAC MARINE MAT (carpet option)
### Stereo System Packages

Cobalt’s audiophile grade systems bring the music to make good afternoons more entertaining, good evenings more dramatic. Waterproof components position speakers strategically to maximum effect, and controls always within easy reach. Plus, a full range of upgraded amplifiers, speakers, and subwoofers are offered in the Premium Sound or Platinum Sound packages.

#### STANDARD SOUND
- Rockford Fosgate hide-away unit
- Rockford Fosgate remote at helm (transom remote optional)
- Rockford Speakers, 1 pair bow, 2 pair cockpit

#### PREMIUM SOUND
- Rockford Fosgate hide-away unit
- Rockford Fosgate remote at helm and transom
- JL Audio speakers, 1 pair bow, 2 pair cockpit, 1 pair transom (transom speakers not available on all models)
- JL Audio subwoofer
- JL Audio amplifier – up to 2,000 watts
- JL Audio speakers, 1 pair bow, 2 pair cockpit, 1 pair transom, Roswell tweeters where equipped
- JL Audio subwoofer – 1 each
- Optional 8” JL Audio tower speakers & amplifier, 1 pair – 400 watts (hardtop option does not include speakers)

#### PLATINUM SOUND
- Rockford Fosgate hide-away unit
- Rockford Fosgate remote at helm and transom
- Roswell amplifier – up to 2,550 watts
- Roswell R1 speakers, 1 pair bow, 2 pair cockpit, 1 pair transom, 1 pair tweeters where equipped
- Roswell R1 subwoofers, 10” – 2 each (12” on R30/R35)
- Speakers are RGB light ready

#### PLATINUM SOUND W/TOWER
- Platinum sound (see above)
- Roswell R1 8” tower speakers (1 pair – RGB light ready)
- Arch Speakers not available with hard top on models R10, R15, A16, and A40 – speakers are integrated into hard top.

#### STANDARD SOUND
- Rockford Fosgate hide-away unit
- Rockford Fosgate remote at helm (transom remote optional)
- JL Audio speakers, 1 pair bow, 2 pair cockpit

#### PREMIUM SOUND
- Rockford Fosgate hide-away unit
- Rockford Fosgate remote at helm and transom
- JL Audio amplifier – up to 2,000 watts
- JL Audio speakers, 1 pair bow, 2 pair cockpit, 1 pair transom, Roswell tweeters where equipped
- JL Audio subwoofer
- Optional 8” JL Audio tower speakers & amplifier, 1 pair – 400 watts

#### PLATINUM SOUND
- Rockford Fosgate hide-away unit
- Rockford Fosgate remote at helm and transom
- Roswell amplifier – up to 2,200 watts
- Roswell R1 speakers, 1 pair bow, 2 pair cockpit, 1 pair transom, 1 pair tweeters where equipped
- Roswell R1 subwoofers, 10” – 2 each (12” on R10/R35)
- Speakers are RGB light ready

#### PLATINUM SOUND W/TOWER
- Platinum sound (see above)
- Roswell amplifier – up to 2,900 watts
- Roswell R1 8” tower speakers, 2 pair – RGB light ready
- Not available on CS23 Surf

---

**Note:** All tower speakers are available in either white or black finish. RGB accent light option required to activate Roswell RGB speaker lighting.
Arches, Tops and Covers

Cobalt’s selection of premium arches, tops and covers not only protect from the elements, they offer next level styling and great looks to your new boat. Archs range from aluminum tube construction with canvas biminis that easily fold down for trailering and storage, to solid structures featuring stainless steel accents and canvas sunshades or elegant hardtops.

Color-matched and custom-tailored, Cobalt bimini tops, sunshades and tonneau covers are made of a premium acrylic marine canvas. This material is extremely strong and fade-resistant, with superior water resistance. Yet it breathes, resisting rot and mildew.

Bimini tops setup rock solid with Cobalt’s easily adjustable stainless steel turn-buckle supports. Rigidity simply not found with the use of fabric straps.

Stainless Steel / Aluminum Arch with Hardtop and SureShade

Available in black or white on models R30 and 30SC. SureShade is available in a manual pull-out or electrically deployable version.

Stainless Steel Arch with Hardtop and Electric SureShade

This top with an electrically deployable SureShade is standard equipment on model R35. A color-accented headliner is optional.

Sport Tower with Pull-Out Sunshade

A permanent rigid structure with a stretched canvas top covering, and the extendable sunshade aft. Available for models 23SC and 25SC.
Arches, Tops and Covers

Folding Aluminum Arch with Bimini Top
- Available as an option in black or white on models 200S, 220s, R3, R5, R7, 23SC, and 25SC. Electrically actuated or gas-assist manual folding versions.

Folding Aluminum Arch with Rotating Sunshade
- Folds down while sunshade remains fixed. Available as an option in black or white on models R3, R5, R7, 23SC, and 25SC. Electrically actuated or gas-assist manual folding versions.

Stainless Steel / Aluminum Arch with Sunshade
- Optionally available in black or white on models R3, R5, R7, R30, and 305C. Standard equipment on R3 Surf, R5 Surf, R7 Surf.

Folding Aluminum Arch with Bimini Top (CS models)
- Available as an option in black or white on models CS22 and CS23. Standard equipment on the CS23 Surf model. Gas-assist manual folding version only.

Premium Bimini Top, and optional Easy Fold
- The optional Easy Fold mechanism allows a stowed bimini to be lower to a trailerable position without disconnecting any hardware.

Tonneau and Mooring Covers
- Provides protection from the elements while allowing interior to breath. To the left: Bow and Cockpit Tonneau Covers. Above: Mooring Cover.
